

## COVID-19 Risk Assessment

**Company name:** The John Godber Centre

**Assessment carried out by:** Kim Pears

**Date of next review:** 22 02 2021 **Last review:** 05 01 2021

**Date assessment was carried out:** 08 July 2020

### Introduction:

The John Godber Centre is a multi-use community venue in Hucknall, Nottingham. The Centre was built in 1906 and opened in 1907. It is currently owned by the Ecclesiastical PCC of Hucknall Torkard and its operations are overseen by an Operating Board with a full time manager to manage the day to day operations with 3 part time duty managers and 2 cleaning support staff (+1 vacant post)

The Centre has a larger Main Hall to the first floor (accessible directly from the rear public carpark, owned and managed by St Mary Magdalene Church) or via reception. Attached to the room is Ben's Bar and there is also a catering kitchen, jumble storage room and dressing rooms to this floor. On the lower floor, accessible by the main front entrance and reception area are 2 offices for Church and Centre personnel, an activity room for a Preschool (Kempe) a small meeting room (Coates) from the main corridor accessible from reception there are 4 rooms (Byron, Bailey, Lovelace and Bens Bar) a staircase leads to the first floor (Portland)

Each floor has its own set of toilets.

The venue is used for celebrations, community groups, business classes, meetings and Church activities.

This risk assessment for COVID-19 has been written by Kim Pears and shared with members of the team and Operating Board and customer consultations – they have added suggestions throughout to create a shared plan that limits the risk of transmission from the virus. The Government's guidance for [multipurpose community venues](#) has been used alongside information from ACRE (Action with Communities in Rural England) and Church of England's guidance (as the Church Hall) Guidance for other industries (hospitality, visitor and heritage sites, offices and workplaces) have also been reviewed.

It is a living document and will be formally reviewed monthly or as and when further risks are identified or government guidance changes – the change log on page 2 will be used as a record of review and items amended.

Covid-19 is a new illness that can affect your lungs and airways, it is caused by a virus called Coronavirus. Symptoms can be mild, moderate, severe or fatal. This risk assessment is prepared to reduce the risks of spreading virus in the workplace for Centre Staff and Hirers, their Users and visitors in the John Godber Centre as a community venue.

COVID-19 is mainly passed on by person-to-person spread between people who are in close contact with one another and by droplets produced when an infected person coughs or sneezes. It can also spread through contact with a surface or object that has the virus on it. Cleaning helps minimise the spread of coronavirus (COVID-19) and fortunately, normal cleaning methods do kill this virus.

The John Godber Centre is hired by many groups and businesses. Hire is for a specified time and room only. Equipment can be hired – AV, refreshments etc. and some groups have items stored in the venue which are their own responsibility.

The Centre closed on the 20<sup>th</sup> March and reopened on the 1<sup>st</sup> June for the Tiny Tots Preschool to resume preschool activity. The venue had regular checks during closure including water systems being flushed throughout the building on a weekly basis. During June and July deep cleans have been taking place which will continue through the summer.

Each room is cleaned prior to hire and to be ready for opening for one group with public access from the 10<sup>th</sup> July as part of phase one of opening deep cleans have taken place to the ground floor public areas and Byron from the start of July. The second phase of reopening is during August when two community groups, church meetings and three further business groups return.

The Centre reopened more widely from the start of September with more groups returning. Currently the Centre is only open (when permitted) for groups and their invited visitors, the Centre doors will be closed to the wider public to minimise the risk of transmission through unknown visitors during the first phases of reopening. The licensed bars remain closed at the present time in the venue due to guidance for social gatherings not to go ahead. St Marys Trading Company who hold the premise licence and operate the bars will prepare a separate risk assessment (which will be incorporated into the wider John Godber Centre risk assessment) when they reopen the bars for functions and events. Small wedding receptions can go ahead for sit down meals (this is subject to change inline with local and national restrictions), no confirmed date when these will resume in the John Godber Centre but plans have been made.

## COVID-19 Risk Assessment Change Log

Item	Change	Date	By Whom?
1.0	Document creation	08 July 2020	Kim Pears
2.0	Risk assessment shared with Operating Board and Staff for feedback.	08 July 2020	Kim Pears
3.0	Updated with points : COVID Emergency First Aid Box located in upstairs Dressing Room Toilet location updated may change to unisex and users asked to wait in reception or rooms if toilet area are busy Fire or Accident section added Recommended layout information added to hirer section	15 July 2020	Kim Pears
4.0	Updated with points : Face coverings based on Government Guidance that coverings are now mandatory in shops but not venues like John Godber Centre (community venues) where distance measures are already in place. Advice that mask wearing is supported by staff and visitors and safety measures promoted for those who do.  Appendix updated with activities that can resume	24 July 2020	Kim Pears
5.0	Risk assessment reviewed	01 August 2020	Kim Pears

	<p>Next phase of opening information updated in introduction</p> <p>Updated appendix with activities that can resume following changes announced 31<sup>st</sup> July re paused activities for at least two weeks (wedding receptions)</p> <p>Updated guidance on Face coverings – mandatory from the 8<sup>th</sup> August</p> <p>Updated room measurements for Hirers added</p> <p>Public corridor section updated – travel space only, fire doors not to propped open</p> <p>Reception area confirmed screen installation in phase 3, update on cleaning measures and sanitiser</p> <p>Section added to confirm what to do if a case of Covid in the venue</p> <p>To aid hirers actions recommended/required by hirers are highlighted <b>hirers</b> in blue</p> <p><i>Updated assessment sent to all hirers and to be added to the website with link posted on media pages.</i></p>		
6.0	Updated advice for business and wedding hirers regarding track and trace registration	07 August 2020	Kim Pears
7.0	<p>Updated appendix with activities that can resume following changes announced from the 15<sup>th</sup> August (sit down wedding receptions permitted and non-professional singing)</p> <p>Government Guidance now received for wedding receptions, as this is private not an organisation or business new section added to risk assessment</p> <p>Updated advice for business and wedding hirers regarding track and trace registration – new app recommended (Trusted Trace) link updated in risk assessment for both business and wedding hirers to use</p>	15 August 2020	Kim Pears

	<p>Face coverings advice updated as to when a covering can be removed in the venue (applies to wedding receptions which can now take place)</p> <p>Next phase of opening information updated in introduction (weddings from 15.8.20)</p>		
8.0	<p>Face covering guidance updated to add reasons can remove covering</p> <ul style="list-style-type: none"> <li>• if you are undertaking exercise or an activity and it would negatively impact your ability to do so</li> <li>• not required during out-of-school provision as children and staff are mixing in consistent groups, and because misuse may inadvertently increase the risk of transmission. There may also be negative effects on communication and thus education.</li> </ul> <p>Confirmed Different layouts and activities will offer different capacities (the maximum capacity number provided should not be used without planning)</p> <p>Advance booking is recommended to hirers but we understand this isn't always possible but larger events should do this where possible, and hirers should consider how will deal with excess visitors.</p> <p><b>Appendix B updated with notes for staff reference -</b></p> <p>Out of hour's groups - <i>Maximum of 15 if appropriate distance measures in place and planned for minimum mixing of children. (may have two separate groups of 15)</i></p> <p><i>Energetic exercise are subject to ventilation considerations.</i></p> <p>"We're Good to Go" certificate inserted, accredited August 2020 by Visit England.</p>	22 August 2020	Kim Pears

9.0	Community Hire paused in line with the new rule of six until clarity for community hire. Business hire or activities where the John Godber Centre is hirers place of work. Childcare, education or training, children's activities or those providing organised sport or exercise classes may continue. Appendix updated	14 September 2020	Kim Pears
10.0	Information relating to school bubbles and isolation requirements sent to hirers.	17 September 2020	Kim Pears
11.0	<p>Requirement for venue to provide a QR code for venue added. Posters in all public areas and hirers advised to still maintain their test and trace systems. The venue QR is an optional addition for public using the NHS app and hirers asked not to replace current risk assessment measures with this for best practice and to ensure inclusive to all.</p> <p>Indoor team sports now limited to 6 people "non-disabled people aged 18 and over will need to adhere to the 'rule of six' if they're playing team sports indoors – this means playing in a group of no more than six people" Appendix updated.</p> <p>SMT service updated – table service only and staff to wear face covering at all times</p> <p>Socialising before and after sessions noted classes to end and hirers ensure customers leave at the end of class to avoid socialising between students/members and breaking the rule of 6 which is now law.</p>	24 September 2020	Kim Pears
12.0	<p>Wedding Reception guidance updated, numbers reduced to 15 (exc working suppliers) and first dance now permitted</p> <p>Staff encouraged to wear face covering in all public areas and when outside of the office or cleaning rooms where no public. Not due to increased risk but in line with shops and hospitality staff, indoor settings not mandatory at present but to encourage public to wear them.</p>	28 September 2020	Kim Pears

13.0	Full risk assessment review	01 October 2020	Kim Pears
14.0	<p>Nottinghamshire move to very high alert tier 3+</p> <p>Permitted activities (confirmed with Ashfield District Council 29/10/20) updated :</p> <ul style="list-style-type: none"> <li>• Childcare (Preschool and Education activities)</li> <li>• Children's and under 18s activities</li> <li>• Support Groups (including weight management groups)</li> <li>• Business activities (such as meetings and training where face to face is required and virtual alternative is not possible)</li> </ul> <p>Exercise and Fitness classes may continue in the venue however we reiterate the Government and Councils advice for Nottinghamshire that - <b>It is strongly advised that indoor group exercise classes (including dance for over 18s and fitness classes) should not take place.</b></p> <p>Change to how users enter and leave sessions during tier 3+ to support no mixing or social interaction with other households indoors - hirers to collect waiting users at the door and visitors to enter one by one and go to a seat, spot, mat or area in the room. When leaving hirers to disperse users one by one to ensure leave separately and immediately and do not mix with others after the session.</p>	30 October 2020	Kim Pears
15.0	National Restrictions 5 <sup>th</sup> November to 2 <sup>nd</sup> December	05 November 2020	Kim Pears

	<p>Permitted activities appendix A changed - The law has been updated for the above period of National Restrictions and the list of permitted activities during this time has been amended - <a href="https://www.legislation.gov.uk/ukxi/2020/1200/pdfs/ukxi_20201200_en.pdf">https://www.legislation.gov.uk/ukxi/2020/1200/pdfs/ukxi_20201200_en.pdf</a></p> <p>Appendix B amended for the tier 3 restrictions likely to return to 3<sup>rd</sup> December</p> <p>Appendix C for wedding receptions if permitted (currently not permitted under national or tier 3 restrictions)</p>		
16.0	<p>Return to tier restrictions 02 12 20. Nottinghamshire in tier 3 permitting following activities to reopen in the Centre:</p> <ul style="list-style-type: none"> <li>• Childcare (Preschool and Education activities)</li> <li>• Children's and under 18s activities</li> <li>• Support Groups (including weight management groups)</li> <li>• Covid Secure Business activities</li> <li>• Worship activities</li> </ul> <p>In Tier 3 exercise and dance classes for 18+ are not permitted so these activities will remain paused until we return to tier 2. Weight groups have changed to an express retail model so sessions reduced to 15 minutes.</p> <p>Review due 16/12/20 for implementation from 19/12/20 and 30/12/20 for implementation 02/1/21. Due to Christmas closures no further changes will be made until return in January.</p> <p>Community and social activities continue to remain paused along with celebration events (and our bars continue to remain closed – which have to in tier 3, tier 2 only if serve substantial meals)</p>	02 01 20	Kim Pears

	Appendix A removed (national restrictions and law 05.11.20-02.12.20) Appendix B changed to A - Permitted activities and updated to reflect the above. Appendix C now B for wedding receptions (when permitted)		
17.0	New Government Wedding Guidance reviewed and Appendix B updated	04 12 20	Kim Pears
18.0	Nottinghamshire moved to Tier 4 Restrictions, the Centre closed to the public except for a number of exempt activities. Appendix A updated with full list of permitted activities in Tier 4, specifically for the Centre only the following will return 4 <sup>th</sup> January 2021 - Childcare (Preschool and Education activities)  Review due 13/1/20 likely for implementation from 16/1/21. All other activities paused in line with government guidance.	31 12 20	Kim Pears
19.0	National Lockdown 5 <sup>th</sup> January to 22 <sup>nd</sup> February (at earliest) Community centres and halls must close except for a limited number of exempt activities during the National Lockdown and employees to work from home wherever possible.  In order to support community, the building would open where needed, for existing hirers and permitted activities for education and public services including: <ul style="list-style-type: none"> <li>• Tiny Tots Preschool</li> <li>• 1 to 1 Education tuition of key workers/vulnerable secondary students</li> <li>• Hosting blood donation sessions</li> </ul> Where necessary in order to open, close and clean the building for essential services, (childcare, education and public services) only two staff members will be onsite in line with our lone working policies, as this work cannot be done from home. All other work	05 01 21	Kim Pears

	<p>(outside of these hours), meetings and tasks will be completed from home, virtually or paused until after National Lockdown.</p> <p>Permitted activities appendix A changed to outline above changes in line with National Lockdown, previous notes removed</p> <p>Appendix B for wedding receptions remains in document if permitted (currently not permitted under national lockdown or tier 4 restrictions)</p>

	Vulnerable visitors	<p>Vulnerable visitors Certain groups of people are at increased risk of severe disease from COVID-19, including all people aged 70 or over. Such individuals are advised to stay at home as much as possible and, if they do go out to take particular care to minimise contact with others outside of their household. Hirers should consider this Government Guidance when planning their activities.</p>	<p>Layouts should be planned for side to side rather than face to face seating or standing wherever possible.</p> <p>Onsite meeting or telephone call with Centre Manager to review plans and risk assessments.</p>	Kim Pears Hirers	Prior to return
	Aerosol transmission	<p>Steps should be taken to avoid people needing to unduly raise their voices to each other. Users permitted to return from the 4<sup>th</sup> July do not play music/broadcasts so this is unlikely to be a risk. Hirers should consider this Government Guidance when planning their activities. Background music/dvds can be played at a low level.</p>	<p>This advice is recommended to be considered in hirers risk assessment – vulnerable users, noise</p> <p>Hirers advised: The hiring group will be responsible for cleaning surfaces used regularly during and at the end of hire sessions. Sanitiser or soap and water will be available on entry and exit to the buildings for the public and monitoring of toilet supplies will be undertaken at regular intervals but hirers should plan to provide sanitiser and tissues in their sessions and any safety equipment or PPE recommended for its own activities.</p>	Hirers	Ongoing
			Improved ventilation wherever possible.		During session

			<p>In Lovelace offer to change hire to Coates to aid this where opening of door not possible. All other rooms have external windows or doors that could be opened to improve ventilation. <i>Energetic exercise are subject to ventilation considerations.</i></p> <p>Hirers to provide Centre with copy of written risk assessment and plans prior to their return and have considered guidance for their sector taking account of the Centres risk assessment.</p> <p>Recommended this is shared with their customers directly but if asked for a copy Centre staff will share this information as a duty of care to those entering the venue. All groups will need their own insurance cover for hire in case of a coronavirus outbreak (this is likely to be covered by their current public liability insurance policy but the Centre encourages hirers to check this and any conditions of return insurers may have)</p> <p>Users should ask hirers for their risk assessments if they have any concerns about group activities as this is the hirer's</p>	<p>Hirers</p> <p>Hirers</p> <p>Kim Pears/ Centre Staff</p> <p>Hirers</p> <p>Hirers</p>	<p>Prior to return</p> <p>Daily</p> <p>Before return</p> <p>As needed</p>

### Staff Safety –

#### Staff Health Awareness – people who need to self-isolate:

To make sure individuals who are advised to stay at home under existing Government guidance do not physically come to work. This includes individuals who have symptoms of COVID-19 as well as those who live in a household with someone who has symptoms.

All staff to be aware that the most important symptoms of coronavirus (COVID-19) are recent onset of any of the following:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

For most people, coronavirus (COVID-19) will be a mild illness. However, if you have any of the symptoms above you (and your whole household) must stay at home and arrange to have a test (only for the person with symptoms) to see if you have COVID-19

Discussions with staff members to consider whether the people doing the work are especially vulnerable to COVID-19.

If advised that a member of staff or public has developed Covid-19 and were recently on our premises the management team of the workplace will follow the decontamination in non-healthcare guidelines and notify groups (who should have records of their users retained for 21 days)

<https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings/covid-19-decontamination-in-non-healthcare-settings>

If employees are advised they have come into contact with someone who has Covid 19 they should follow this guidance and not come to work.

<b>Social Distancing</b>	Transmission from customers and staff who do not follow social distancing guidance.	<p><u>Maintain current social distancing guidelines</u></p> <p>4.7.20 – 2m distance or 1m+ with mitigation.</p> <p>Indoor gatherings should only be occurring in groups of up to two households (including support bubbles) and this remains the recommended guidance. As the importance of social support and businesses restarting certain activities can take place</p> <p><b>Appendix A highlights activities that can go ahead in multiuse venues</b></p>	<p>Signage to promote current social distance measures and information on current gatherings.</p> <p>If customers not following will be highlighted to hirers in the first instance as their visitors and they are responsible for them. Staff may ask visitors to leave if their safety is at risk from visitors not following social distance measures.</p> <p>Staff have been offered personal visors if they wish to have one (following guidelines for close contact businesses) Not a general control measure as not expected to have increased contact for periods of time or be</p>	<p>Kim Pears / Adrian Sissons</p> <p>All team members</p>	<p>From reopening</p> <p>Daily</p>
--------------------------	---	--	---	---	------------------------------------

			in busy enclosed spaces with public but visors will be optional for staff if they wish		
<b>Staff Rotas</b>	<b>Staff</b>  Transmission between members of the team who may not be aware that they have the virus.	One AM and One PM Duty Manager  One Cleaning Support Team Member  Staff do work in their own areas and 2m distance is planned  National Lockdown - Where necessary in order to open, close and clean the building for essential services, (childcare, education and public services) only two staff members will be onsite in line with our lone working policies, as this work cannot be done from home. All other work (outside of these hours), meetings and tasks will be completed from home, virtually or paused until after National Lockdown.	Staff to work back-to-back or side-to-side (rather than face-to-face) whenever possible and to keep the activity time involved as short as possible if activity required this.  Further increasing the frequency of hand washing and surface cleaning.  Sanitise station available in the office and reception and staff to be reminded frequently of importance of good hygiene to reduce transmission of virus.  Regular cleaning of touchpoints in the offices. Staff recommended to clean desks, kettles, phones and equipment at the end of the day ready for the next person but also at the start of the day for their own use.  Antibacterial wipes are provided in the office for use in high contact surfaces in the	All team members whilst working on shift.	From reopening and ongoing.

			office – keyboards, phone, photocopier, kettle, pens etc.		
<b>Deliveries</b>	Cleaning, Stationary, Refuse	Deliveries to maintain 2m distance at all times – staff to remind delivery drivers.  Delivery driver to place orders in reception at a distance of 2m paperwork to be signed at a distance. Staff to put deliveries away.	Only one person to be in the cellar at any time (beer cellar or wines/ spirits store) cleaning cupboards and general store room	All team members whilst working on shift	From reopening and ongoing.
<b>Travel Transmission through travel to workplace (or venue for customers)</b>	Staff Customers	Staff are encouraged to drive their own vehicle, walk or cycle to work where possible.  The Public Car Park is owned by St Mary Magdalene Church. It does have two exits – via St Mary Magdalene Churchyard and via ramp to Ogle Street.  The Centre has no business neighbours opening nearby.	If using public transport all should follow current advice (wear face coverings)  Hirers can advise the alternative route to users to reduce risk to their hirers who may arrive together but not be aware of alternative route to entrance.	Staff  <b>Hirers</b>	Daily  Ongoing
<b>PPE</b>	<b>Staff</b>	<b><u>Wearing of Gloves</u></b>	Gloves are available for use in areas where unknown public may have been		

<p>Wearing of PPE for tasks</p>		<p>Where Risk Assessment identifies wearing of gloves as a requirement of the job, an adequate supply of these will be provided. Staff will be instructed on how to remove gloves carefully to reduce contamination and how to dispose of them safely</p> <p><b><u>Wearing of Face Coverings</u></b></p> <p>For staff the wearing of face coverings is a personal choice in non-public areas and we will support employees who wish to wear one but there is no requirement to wear one in the workplace. There is currently no evidence that using face masks outside of a healthcare or clinical setting will protect people from coronavirus.</p> <p><a href="https://www.hse.gov.uk/news/using-ppe-at-work-coronavirus.htm#non-healthcare-business">https://www.hse.gov.uk/news/using-ppe-at-work-coronavirus.htm#non-healthcare-business</a></p> <p><b><u>Aprons</u></b></p>	<p>when cleaning. Handwashing is promoted to reduce contamination on surfaces. Wearing of gloves is not a substitute for good hand washing</p> <p>For members of the public, from 8 August the places where you will have to wear a face covering will be expanded to include community centres.</p> <p>The government recommend face coverings are worn in these settings as soon as possible but this will not be mandatory until 8<sup>th</sup> August. Staff are strongly encouraged to wear a face covering in enclosed public spaces where social distancing may be difficult and where they will come into contact with people they do not normally meet. It is not compulsory for employees of indoor settings to wear face coverings. There are a number of other control measures in place to reduce the risk of transmission in the venue, with social distance and increased hygiene procedures in place.</p>	
---------------------------------	--	---	---	--

		<p>Single use aprons are provided for Beer Line Clean and PPE is not shared between staff.</p>	<p>If choosing to wear a face covering staff should wash hands before and after putting on and removing. If it becomes damp change it and wash daily or dispose of carefully.</p> <p>Visors have been provided for staff to wear should tasks require them to work in spaces with public however it is not a general measure to wear at all times due to the low risk of close contact at this time and other control measures in place.</p> <p>The John Godber Centre plans for external queuing and no waiting in public corridors, along with group management of their activities and all areas are over 1m+ face coverings are recommended but not mandatory for staff where working in areas away from public and distance can be maintained (i.e. office, cleaning rooms etc.)</p> <p>Staff do not have to wear uniforms but fresh clothes each shift are requested.</p>

## **Appendix A = Current activities permitted in Multi use venues during National Lockdown 5<sup>th</sup> January to 22<sup>nd</sup> February 2021 (at earliest)**

Community centres and halls must close except for a limited number of exempt activities (listed below) during the National Lockdown and employees to work from home wherever possible.

In order to support community, the building would open where needed, for existing hirers and permitted activities for education and public services including:

- Tiny Tots Preschool
- 1 to 1 Education tuition of key workers/vulnerable secondary students
- Hosting blood donation sessions

Exemptions in National Lockdown for community centres and halls include:

- education and training – for schools to use sports, leisure and community facilities where that is part of their normal provision
- childcare purposes and supervised activities for those children eligible to attend
- hosting blood donation sessions and food banks
- to provide medical treatment
- for elite sports persons to train and compete (in indoor and outdoor sports facilities), and professional dancers and choreographers to work (in fitness and dance studios)
- for training and rehearsal without an audience (in theatres and concert halls)
- for the purposes of film and TV filming
- Support Groups

## **Appendix B = Wedding Reception/ Private Hire considerations \*In Tier 3 and above and during National Lockdown wedding receptions are not permitted\***

From the Government Guidance for [wedding and civil partnership receptions and celebrations](#) updated 04/12/20

From 28<sup>th</sup> September receptions and other celebrations for weddings and civil partnerships can take place for up to 15 people for a sit down meal. By their nature bringing family and friends together, though they know each other, are vulnerable to the spread of COVID-19. Anyone working is not included in the number of 15.

The John Godber Centre has a robust risk assessment already in place for the venue to reduce the risk of transmission and these measures would still be able to be applied to private hire as listed in this risk assessment including, signage and advance planning so no one visits the venue if unwell, movement around the venue, reduced capacity numbers, access to hand sanitiser at key points and handwashing facilities, management of toilets and promoting good hygiene, increased cleaning and social distance measures around the venue and these can apply to support the new guidance for wedding receptions.

Specific measures the John Godber Centre have considered to ensure it can safely host a wedding reception in line with the guidance –

- ☀ 'Reception' and 'celebration' definition is - "A gathering of people to mark the occasion of the marriage or civil partnership of a couple" Any new bookings for wedding receptions (while other parties and socials are not permitted) would be asked to provide evidence of a recent ceremony (taking place from the 4<sup>th</sup> July 2020) or confirmation of a ceremony taking place on the day of the reception (civil ceremony or place of worship)
- ☀ The guidance advises that the maximum number is 15 people (excluding those not working) but all should maintain 1m+ though ideally 2m distance at all times including seating.
- ☀ Couple to confirm suppliers in advance and that they have provided a risk assessment and are an insured business supplier and will wear appropriate PPE. Currently all third party suppliers setting up, during and after the reception are excluded from the number 15.
- ☀ The reception is possible for a seated meal only, the Centre can provide waiter/waitress drinks service or drinks packages to the table and has card machines to support this (table service only permitted in hospitality settings). Professional caterer recommended who can provide catering for the sit down meal using the Centre kitchen. Couple to confirm suppliers in advance and that they have provided a risk assessment and are an insured business supplier and will wear appropriate PPE.
- ☀ The John Godber Centre would work with couples to determine a suitable seating plan to meet the requirement that all guests are 2m/1m+ with mitigating measures distanced from other households. The room can hold up to 15 double tables (12 when has a dance floor) so we are confident there is

space for 15 guests to be seated apart with a combination of household sizes and this will be reviewed with each change in permitted numbers. Where possible guests should remain seated to maintain social distance.

- ☀ Venue managers should record and keep an accurate record of guests and suppliers for 21 days. The [Trusted Trace app](#) we propose to use offers a simple solution specifically designed for wedding venues and is recommended by the Meeting Industry Association. The venue, wedding planner or couple can set up an event by adding basic wedding details. The app will create a unique link to send to guests and suppliers, 24-48 hours before the wedding. Those attending will click on the link, add their contact details and complete a short COVID declaration. The John Godber Centre will then have the full list of suppliers and guests attending. If anyone arrives having not completed the online check in, we can either add their details or send them a link to complete their details on their phone. There is then a quick, secure option to send a message to guests and suppliers after the event if anyone shows symptoms (without the couple having to contact all their wedding guests individually) There is now a cost for this app.
- ☀ Entertainment – the first dance is now possible for the couple only. Dancing isn't possible at this time so the area normally left for a dance floor can be used for additional seating. It is possible to have a DJ or band still if they work within the guidance for [performing arts](#). Sound levels would be at a reduced level to ensure guests or staff do not need to unduly raise their voices as increased volume can increase aerosol transmission. This sadly means no singing along or chanting and entertainment providers are asked to support this by encouraging audience support for the overall safety of all should singing/dancing occur. Seating would begin 2m+ from the stage and on stage entertainers (unless from the same household) would need to be distanced from each other, 2m/1m+ if other measures such as screens. Solo artists or small bands are preferred. Amplification is recommended for speeches and entertainment and improved ventilation (windows and non-fire doors being open throughout the day)
- ☀ Hugs, kisses and welcome lines where there would be physical contact can't take place for those not of the same household. Cake cutting is allowed but guests would be recommended to be invited up to take photos a household at a time from their table rather than all gathering together and our team could support this or entertainer or member of wedding party. Confetti and bouquet throwing where things are passed between people should be avoided. At stations where objects may be touched, guest books, disposable photo equipment hand sanitiser should be provided. The exchange of cards and gifts should take place away from the venue, thank you gifts or tokens for the couple.
- ☀ Sweet/cheese carts, chocolate fountains and photo booths aren't recommended due to the risk associated with them and their communal nature and that they wouldn't be part of a seated meal at this time.
- ☀ Timings – bars must close by 10pm and everyone vacated by 11pm.
- ☀ Tier restrictions from 2/12/20 – Guests should avoid travelling from tier 3 to tier 1 or 2 ceremony or reception. In Tier 3 receptions are not permitted to take place.

## Staying COVID-19 Secure in 2020

We confirm we have complied with the government's guidance on managing the risk of COVID-19

### • FIVE STEPS TO SAFER WORKING TOGETHER •

- ✓ We have carried out a [COVID-19 risk assessment](#) and shared the results with the people who work here
- ✓ We have [cleaning, handwashing and hygiene procedures](#) in line with guidance
- ✓ We have taken all reasonable steps to help people work safely from a [COVID-19 Secure workplace](#) or work from home
- ✓ We have taken all reasonable steps to [maintain a 2m distance](#) in the workplace
- ✓ Where people cannot keep 2m apart we have ensured at least a 1m distance and taken all the mitigating actions possible to [manage transmission risk](#)
